Omaha, Nebraska 68110

Rowena Moore. *President*
342-4212

Attallah Shabazz
National President

FROM THE DESK OF THE FOUNDER/PRESIDENT.....

ROWENA MOORE

The Malcolm X Memorial Foundation was incorporated for the purpose of commemorating Malcolm X by constructing a living memorial to his memory at 3448 Pinkney Street, the site of his birth in Omaha on May 19 1925. He was born Malcolm Little, is best known as Malcolm X and died at the hands of assassins on February 21, 1965, as El Hajj Malik Shabazz.

Brother Malcolm's contributions to the betterment of mankind were international in scope. He promoted unity among our brothers and sisters in Africa and throughout the world. A leader in the struggle for human rights in this country in the 50/60's, he made outstanding contributions to the awareness of cultural heritage of American born Africans. Honor, excellence, dignity, unity, and love were the guiding lights of his life.

The Malcolm X Memorial Foundation intends to honor this great African-American, this great Omahan by constructing on the site of his birth a suitable memorial. This historical structure will give additional meaning to Brother Malcolm's life. This structure will be a tourist attraction and a showcase not only for Brother Malcolm's writings, but also photographs and other memorabilia of a similar nature contributed by others. This structure will serve as a symbol of the brotherhood and sisterhood of humanity and the need to be ever vigilant to oppose hatred and racism. This structure will give powerful testimony to the meaning of Brother Malcolm's life.

An undertaking such as this assumed by the Foundation will require a tremendous amount of time and money by thousands of people in Omaha and throughout the world.

YOUR CONTINUED SUPPORT IS URGENTLY NEEDED AND GREATLY APPRECIATED.

Sincerely,

A handwritten signature in cursive that reads "Rowena Moore".
